Dear Claimant:

We have processed the Proof of Claim and Release Form ("Claim") that you submitted in connection with the settlement achieved in the above-noted litigation. A portion of your Claim, based on our review, is currently deficient or ineligible for the reason(s) listed below. In order to resolve the deficient/ineligible condition(s) within your Claim, you must submit a written response with any required information, as specified below, postmarked no later than the response deadline printed above. Please include a copy of this notice with your response. **If you fail to respond by the response deadline, or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those condition(s) remain uncured. Please note, this is the only notice you will receive with respect to this Claim.**

Reason: Missing or Inadequate Documentation for Specific Transaction or Holding Position.

The transaction(s) or holding position(s) detailed on the enclosed list are not supported by acceptable documentation.

How to Resolve: To resolve this deficiency, you must submit acceptable documentation supporting each of the transactions and/or holding positions detailed on the enclosed list. Acceptable documentation consists of copies of brokerage confirmation slips or monthly brokerage account statements, or an authorized statement from your broker containing the transactional and holding information found in a broker confirmation slip or account statement. For each transaction, the documentation must include the trade date; the number of shares of Facebook common stock; price per share; and the total price for the transaction. For closing positions, the documentation must show the number of shares of HeartWare common stock held as of the close of trading on April 8, 2016. Examples of unacceptable documentation include spreadsheets from your personal records; statements missing pertinent information or missing the account holder's name; and printouts from broker websites that do not include the required information.

Claims that are not cured by the response deadline above will be rejected. If you believe your Claim has been rejected in error, you may contact us for assistance and/or request Court review of our determination. To request Court review of your Claim, you must send us a signed written statement that: (a) states your reasons for contesting the rejection of this Claim, along with any and all documentation supporting your argument(s); (b) specifically states that you "request that the Court review the rejection of this Claim"; and (c) includes a copy of this notice and is postmarked no later than the response deadline set forth above. If the dispute concerning your Claim cannot be resolved, your Claim will be presented to the Court for review, which may include public filing of your Claim and supporting documentation with the Court (with financial account numbers and certain other information redacted). Please note: Court review should only be sought if you disagree with our determination about this Claim.
